

Day One

September 1st, 2013

On August 1 Diana Risk took part in a discussion on race and ethnicity at the Eighth International Conference on Interdisciplinary Social Studies that took place at Charles University in Prague, Czech Republic.

The title of her presentation was "Hispanics in America: The Remapping of a Multicultural Nation." An abstract and the program can be found at TheSocialSciences.com.

Vivian Teter's poem about Hiroshige's "One of Twenty-Eight Views of the Moon" was published next to an image of the woodcut on [the "Ekphrastic Poetry" page](#) of the Maier Museum of Art.

On August 19th, Maynard Schaus served on a panel discussing Environmentalism and Sustainability at the [Norfolk Interfaith Academy](#)
