Recommended Courses for Majors Planning to Transfer to VWU

Students planning to transfer to Virginia Wesleyan University from the Virginia Community College System (VCCS) should consult with a transfer advisor at the VCCS campus to ensure timely degree completion. Courses in black are strongly recommended—students who do not complete these courses may require an additional year of college coursework. Courses in blue are encouraged—students who do not complete these courses will not be in the best position to advance.

Students who complete the Associate of Art or Associate of Science degree will satisfy all of the VWU general education program except for the junior/senior seminar (WES 300).
