

THEATRE (BA) & Teacher certification in THEATRE ARTS (prek-12)

Recommended Courses for Majors Planning to Transfer to VWU

Students planning to transfer to Virginia Wesleyan University from anywhere within the Virginia Community College System (VCCS) should consult with a representative of the VCCS to ensure that you complete the following courses in a timely degree completion. Courses in black are strongly recommended—students who do not complete these courses may require an additional year due to course sequencing issues. Courses in blue are encouraged—there are alternative courses listed below available to students who can substitute them with advanced placement credit.

Students who complete the Associate of Art or Associate of Science degree will satisfy all of the VWU general education program except for the junior/senior seminar (WES 300).
